## **SOLUTIONS CONSULTANT, February 2016 to October 2017**

KAREO, Irvine, California

*Worked closely with healthcare providers to provide practice management and billing service solutions through an award-winning electronic health records (EHR) system.*

Managed the daily sales responsibilities of handling approximately 30 customer calls daily, as well as soliciting new business with physicians' offices to help improve their operations. Offered product and service demonstration to new clients and collaborate with office staff on the setup and implementation of new systems. Utilized multiple sales sources and techniques including referral business, contacting previous customers, cold calling, and drop-ins to increase sales growth.

- Led new software releases and improved product base resulting in achieving over 100% of sales plan consistently.
- Spearheaded the design and implementation of a new product designed to attract niche markets and increase market growth. Worked closely with the executive team to analyze pricing and present the new product to mental health facilities nationwide.
- Received the company's President's Club Award (2016) for exceeding annual sales goals.

## **SALES EXECUTIVE / CUSTOMER CARE SPECIALIST, 2012 to 2016**

HIRE RIGHT, Irvine, California

*Provided sales and customer support for small to medium size businesses utilizing the company's services in conducting employee background checks.*

Managed a portfolio of SMB companies and responsible for annual sales revenues of approximately \$800K. Ensured key performance metrics were achieved. Worked closely with customers to listen and understand their business needs and offered them viable solutions. Analyzed market trends and industries to maximize new business opportunities. Trained and mentored new employees on company policies and procedures, equipment, and customer support.

- Exceeded monthly sales goals consistently by identifying and developing new business opportunities through inbound and outbound sales activities.
- Handled on average 30 customer calls a day, which included answering questions related to new and existing products and services offered. Tracked all correspondences via Salesforce CRM.
- Recipient of the President's Club Award (2014) given by senior management for the superior sales performance over the past year.
