The market you're in determines taxes, surcharges and fees, such as E911 and gross receipt charges. As of December 1, 2019, they can add between 8% and 41% to your standard monthly access and other charges. (Excludes 5G Home) Monthly Federal Universal Service (21.2% of the interstate and international telecom charges, as of January 1, 2020; varies quarterly based on FCC rate), Regulatory (15 cents per voice line, 2 cents per data only line) and Administrative (\$1.78 per voice line, 6 cents per data only line) charges are Verizon Wireless charges, not taxes, and are subject to change. For more details on these charges, call 1-888-684-1888.
