

****Please note our support team cannot take phone orders at this time due to Covid 19 restrictions. Please place your order using this online form.****

ATTENTION: If an expediting shipping option is available on this institution's transcript order form it is the requestor's responsibility to confirm with the intended recipient that they are open to receive rush or expedited delivery. Expedited shipping fees will not be refunded due to lack of availability for signature upon attempted delivery.

Stay up to date on USPS services impacted for domestic and international locations by visiting [USPS.com](https://usps.com)

Order Accepted for Processing

Your Order Number is **OK6733175**

Please retain this number in case you need to contact us about your order.

Additional Information about Your Order

Although you have successfully entered your order, we must still determine if the identifying information you provided is accurate and sufficient to authorize the release of your transcript. If we are able to automatically authorize your order, we will email you a confirmation that your order has been successfully authorized.

If we are unable to automatically authorize your order, you will receive an email outlining the necessary steps to complete the authorization process. Please be aware your transcript order will not be processed until authorization is received.

Thank you for using TranscriptsPlus® to place your order with Orange Coast College. You may check the status of your Transcript Order at any time by going to [Self-ServicePlus™](#).
